Subject: Jeffrey Quinlann

Mr. Quinlann is in compliance with his treatment and he attends appointments with his current psychiatrist Dr. Geil at Central Oahu Mental Health in Pearl City. Mr. Quinlann has done well receiving his psychotropic medications and maintaining his mental stability. Jeffrey Quinlann has been an outstanding client and one of my highest functioning. Mr. Quinlann has spoken to me about early release from probation. I agree and support Mr. Quinlann in this request. If you have any questions please do not hesitate to contact me.
